

BUSINESS GROWTH SEMINAR

How to Up Your Profits in a Down Economy

**In 2009, Countless Companies Will Have Record Sales and Profits
Yours CAN be one of Them!**

Up Your Odds by Attending this Exciting Marketing Seminar

The Small Business Development Center (SBDC) at the Clermont Chamber of Commerce is excited to offer you a very special marketing and business growth seminar to help you prosper and succeed in 2009 and beyond.

This seminar will be lead by local growth strategists and marketing experts, Jack Kaser, CEO of NEXTLevel Business, LLC and Paul Flood, President of Paul Flood Marketing, LLC. They will be teaching and sharing their most powerful and proven marketing growth strategies and show you how to implement them to add cash to your bottom line.

Discover how you can uncover the *Hidden Marketing Assets* in your business and leverage them into a powerful marketing system for dramatic increases in sales and profits. This **\$197 value** is being presented to local businesses **at no charge!**

You will learn:

- ◆ The absolute WORST thing you can cut from your budget this year.
- ◆ How to eliminate your most common marketing frustrations.
- ◆ The tremendous profit opportunities that few business owners see in a down economy.
- ◆ The single most powerful marketing concept that can propel your business or practice past your competition.
- ◆ 10 biggest marketing mistakes most businesses make that could be costing you thousands of dollars.
- ◆ 2 marketing strategies you can implement immediately and double profits virtually overnight.
- ◆ 7 ways to mine your customer or client base for sources of **NEW FOUND PROFITS**.
- ◆ 6 ways to double or triple the return on your advertising investment without spending an extra dime.
- ◆ How to systematize your marketing for maximum sales and profit growth.

**These Profit and Wealth Building Techniques
Work in Virtually ANY Type of Business, Practice or Profession!**

Who Should Attend?

This seminar is for the entrepreneur, business owner, president or other senior level executives responsible for bottom-line profits and results.

- ◆ If your business is in trouble, these strategies can help save it.
- ◆ If your business is growing, you can accelerate the growth.
- ◆ If you just want to learn a simple step-by-step marketing system that delivers increased sales and profits for years to come, this seminar is for you.

Special Bonus

As a special bonus, all attendees will receive a copy of the special report, *The Ten Biggest Marketing Mistakes Most Companies Make and How you can Avoid Them*.
